Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Thursday 02 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry into the weekend. Northern areas clearest, elsewhere cloudier.

This Evening and Tonight:
Late sunny spells are likely across western and northern areas this evening, then some clear spells here overnight. Remaining dry, but cloud thickening through the early hours for all except Cumbria. Feeling cool under the clearest skies in the north. Minimum temperature 5 deg C (41 deg F).

Friday:
A cloudy morning for most but sunny in the north. Staying dry throughout, with sunny spells developing more widely through the afternoon and into the evening. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Dry with sunny spells on Saturday. A bright start on Sunday but likely becoming cloudier and perhaps wetter in the evening. Cloudy and possibly damp on Monday. Becoming warmer.
